Subject: Draft - Highlights of Comments Submitted on the Proposed Targeted Reconsideration Amendments to the NSPS at 40 CFR Part 60, Subpart OOOOa (2016 NSPS OOOOa)

Amy/Karen,

Attached is a draft of highlights of the public submissions processed/excerpted to date in the comment database for the subject proposal. We believe that this summary highlights most of the major comments provided based on the number and represented commenters/commenter types (e.g., industry, non-industry advocacy, state and local/tribal governments). This draft will be updated as new issues/comments of significance are identified and processed in the database.

Regards,

Joanne.
